RESPONSE TO NOTICE TO FILE MISSING REQUIREMENTS

Sir:

This paper is submitted in response to the Notice to File Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US), mailed April 2, 2007 ("the Notice"). The Notice requires submission of a declaration of the inventors and payment of the late oath or declaration surcharge. Applicant submits that the Notice was issued in error and should be withdrawn for the reasons discussed below.

The present application is a national stage of a PCT application that was filed with a Declaration of Inventorship under Rule 4.17 (see enclosed cover page from the published application and enclosed Rule 4.17 Declaration of Inventorship). Accordingly, Applicant submits that the application as filed met the requirement for an oath or declaration of the inventors and requests withdrawal of the Notice and acceptance of the national stage application without further charges.

No fee is believed due as Applicant believes the Notice was issued in error. However, the Commissioner is hereby authorized to charge any deficiency, or credit any refund, to Deposit Account No. 50-0220. If any extension of time for the accompanying response or submission is required, Applicant requests that this be considered a petition therefor.
